Dear Collectors,

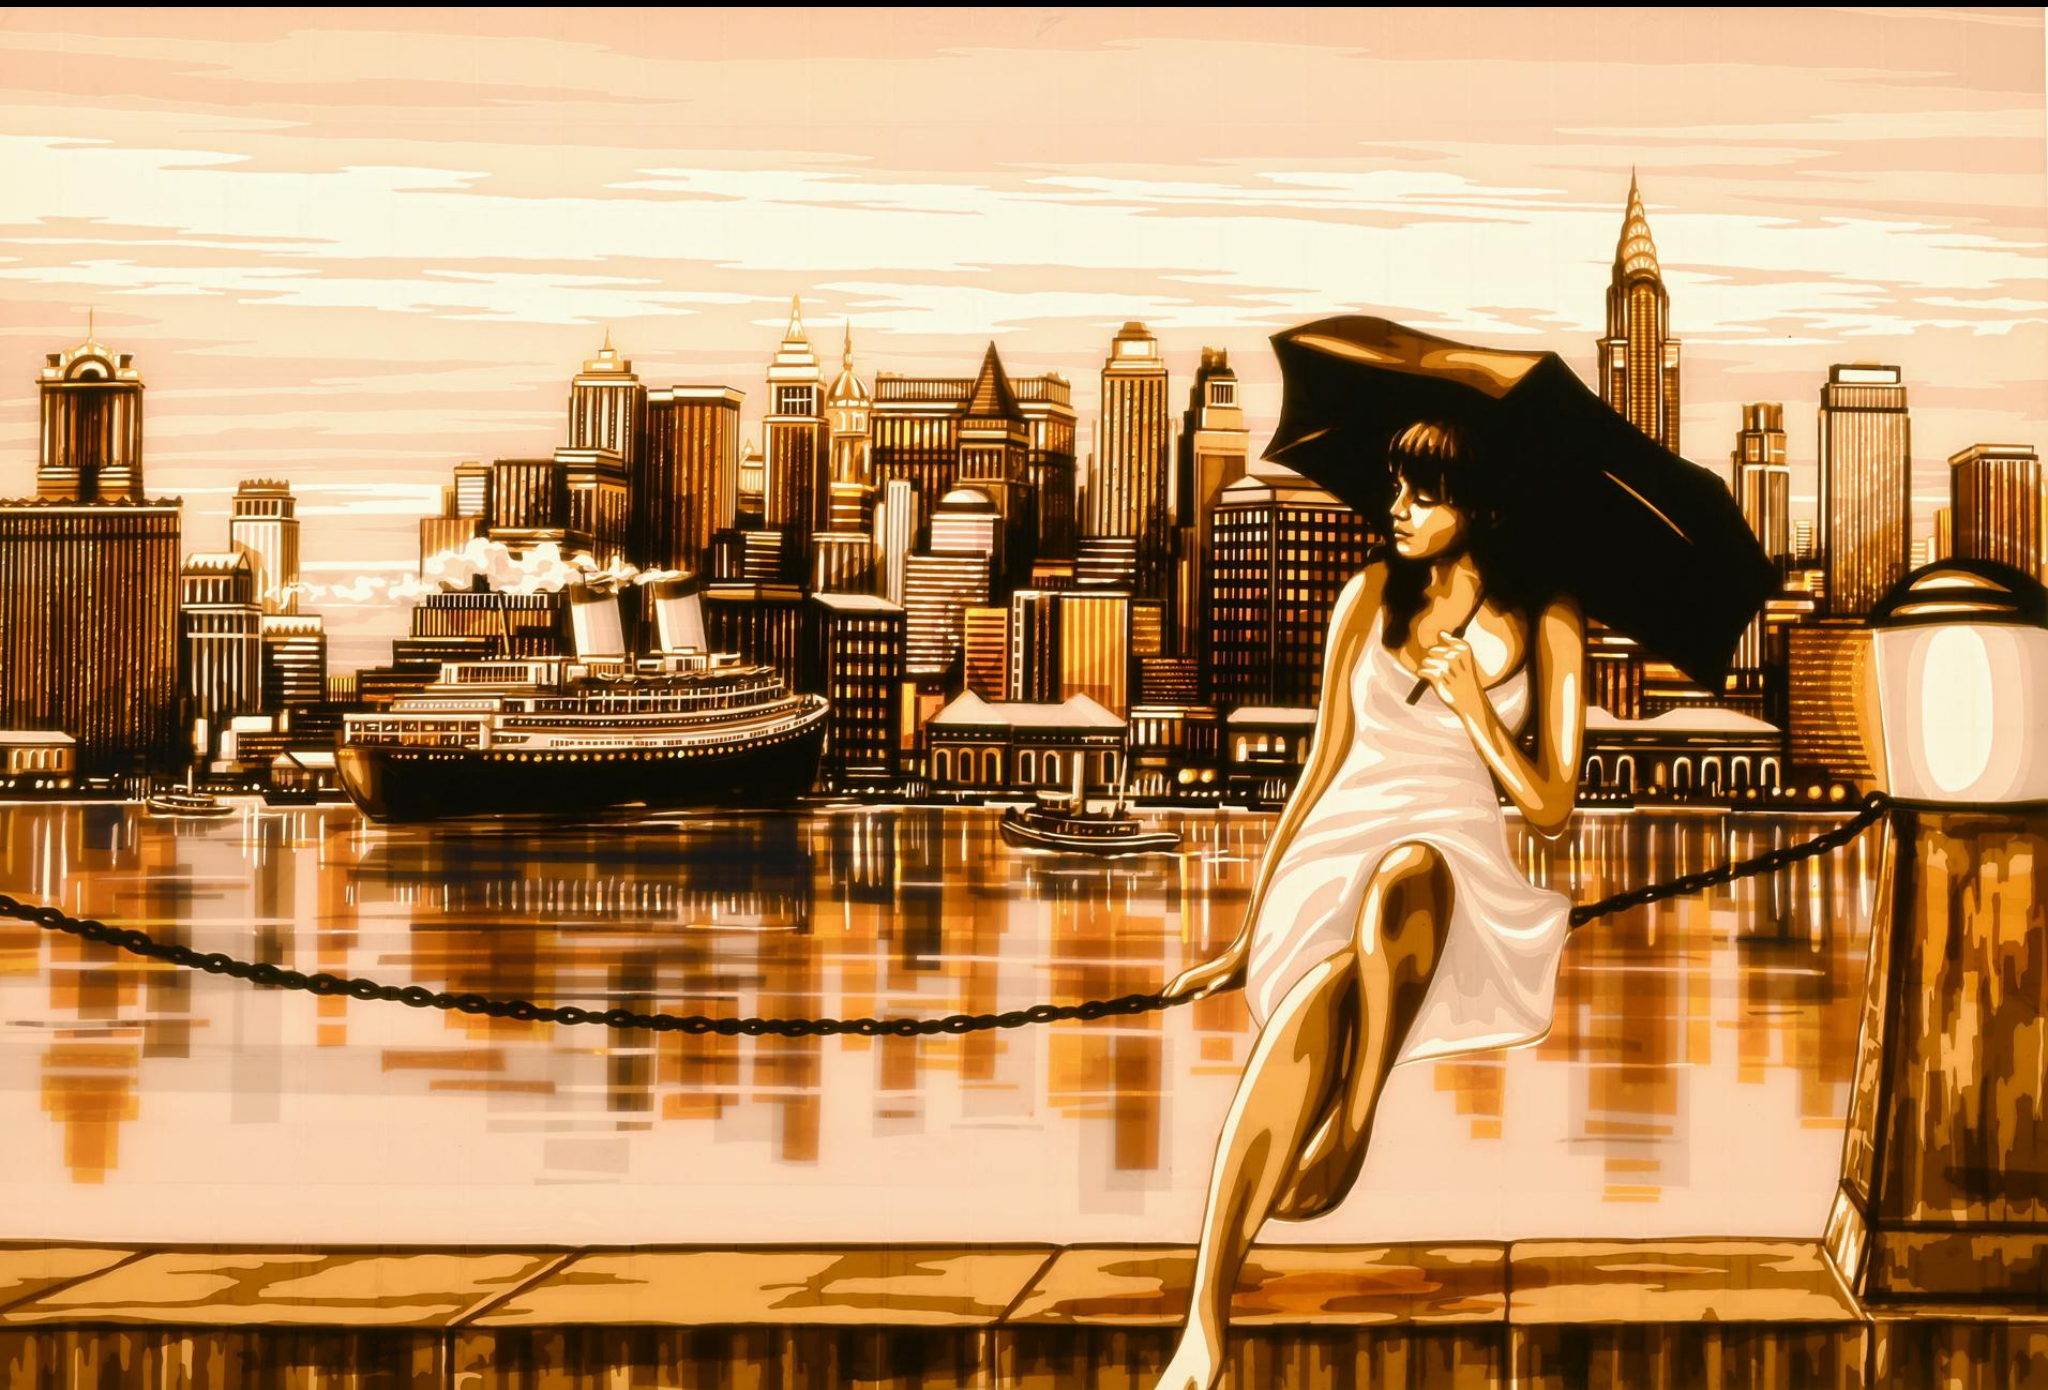

Stick Together Gallery is thrilled to premier all new Max Zorn tape art for 2023. These artworks are handmade with only packing tape as a medium and a scalpel for a paintbrush. Here is a VIP preview of the new collection: fresh, nostalgic and moody artworks that explore arenas from bold and classic to softly elegant.

All prices are released exclusively by us, includes framing and shipping, and are for a limited time only. All artworks are signed by the artist and include a certification of authenticity with an artist's lifetime guarantee.

Sincerely,  
Audrey Sykes and Max Zorn
